Notice of termination of contract (provider change) and transfer of a *com* domain

I hereby announce that I want to transfer the above-named domain to another provider. Please agree with the transfer application which you will be receiving shortly from the DENIC member "Hostway Corp. - Domainpeople, inc." Simultaneously the domain will be alternatively cancelled. Please send me the registration code, so that I can pass this on to ZANA digital.

- I also wish to cancel all the tariffs/products linked to this domain.
Thank you for your services.
- Please contact the company ZANA digital directly (see contact details above), to whom I am assigning the handling of this transfer and cancellation, if you have any further questions.

I hereby confirm that I am the holder of the named domain and am thus entitled to its unrestricted use. I can also confirm that at least 60 days have passed since the domain was registered or the last change of provider took place. If this is the case, I will receive an email shortly from the registrar with the request to confirm the transfer. I will follow the instructions contained within.
